

STONHARD STONRES RTZ

Tradition, partnered with innovation, in a floor that has been proclaimed to be its own genre. Stonres is a seamless, resilient floor that combines distinctive design elements with performance and function, using intricate patterns in a smooth, stain resistant, ergonomic and noise reducing system. Stonres RTZ is frequently specified for Operating Rooms due to its durability, stain resistance and easy to clean properties. It also meets the challenges of many commercial markets, such as education, stadiums and retail spaces. Custom colours, free-form designs and logos are available.

Colour matching available with additional lead time, minimum order requirements and a slight premium. Colour reproductions are as accurate as modern photography and quality printing methods can produce. For actual colour please request a sample at www.stonhard.com.
